KARBULLAH MERINO STUD

Some pointers from the team at Karbullah

- When choosing your rams, always remember that each ram will have an effect on your flock for at least 7 years directly, as you will use him for at least 3 years and his daughters for another 4 years.
- When choosing for CFW always remember that it takes energy to produce that extra fleece weight. Keep that in mind as more lambs will produce you much more fleece than any extra CFW will.
- Muscle and fat have the biggest effect on the Dams ability to successfully birth and raise lambs. As the ability to store energy for lambing is highly connected to those two traits this should be your first port of call when choosing a ram.
- Have fun in choosing your ram and we would love to see you on sale day. If you are unable to make it because of covid-19 we are trying to make your buying experience as easy as possible with videos and photos that you can access through farmgateauctions.com.au.

SALE CONDITIONS

1. The purchaser must be nominated on farmgateauctions.com.au.
2. The purchaser can use the semen from rams for their own requirements.
3. Under selling agreement with Karbullah Poll Merinos, Karbullah Poll Merinos retain all marketing rights of any semen sold from purchased rams.
4. If a ram is resold, the new owner must be made aware that Karbullah Poll Merinos retain all marketing rights of any semen sold.
5. 2% commission will be paid to any agent introducing and accompanying clients to the sale on Sept 20. Introductions must be made in writing to Steve Maunder at LRWrural@outlook.com, 24hrs prior to the 20th Sept, 2021.
6. Rams come with a 12 month breeding soundness guarantee from the time of purchase. Any claim against breeding ability of any Karbullah purchased ram must be made in writing and be accompanied by a vet certificate and/or photo for proof of death. All costs to be worn by the purchaser. We recommend you insure animals against injury (loss of use) and death.
